## Suuri's Adventure - game over screen

*Upper Graphic / Game logo*

### Game Over

Listing of player stats collected from playing the current level. If the player successfully completed the current level a "congrats" message appears here, otherwise it will be a "sorry" message.

How many points were earned

How many of what type of matches were made

How many points are still needed for the next player level

How many stat / upgrade points the player currently has

Leader board standing

Social Media "quick share" option for posting on the player's "wall" or a "look how much fun i'm having" thing to post on a friends "wall"

## Suuri's Adventure - Ladder (level selection) screen

*Upper Graphic / Game logo*

Select a level

**Fire**

**Air**

**Earth**

\*Note:

Ladder based level selection screen. Each higher level the player can get to will appear just above the last one completed. As the list grows past the number of spots available to show they will be scrollable. Default is showing the current level available on top and letting the rest scroll off the page.
